View progress towards an ESO Angels Award on the ESO Angels Awards Dashboard............... 8
Login to RES-Q Reports

1. Go to www.qualityregistry.eu/data.

2. Click on Login on the RES-Q Reports homepage.

3. You will be taken to the RES-Q Reports Login Page below.

4. Use your normal RES-Q Username & Password and click login to enter RES-Q Reports

5. You will be taken to the RES-Q Reports Homepage:
View RES-Q Live Dashboards

1. To view a Live Dashboard click on Dashboards at the top of the page and choose the dashboard you would like to view or choose one of the icons on the homepage.

All dashboards show data entered in the current quarter. On the first day of a new quarter all dashboards will show data for the new quarter. To view live data for a quarter that you are still entering data for, select it from the drop-down menu.

2. Choose the dashboard you would like to view. When you hover over an icon the symbol will turn orange.

Only national coordinators have access to the Country and Country Timeline Dashboards.
3. If you click on Your Hospital, you will be taken to the Local Coordinator Dashboard where you will be able to view data entered into RES-Q. This Live Dashboard will display any data entered in the current quarter and is updated once a day.

If you would like to view data from a previous quarter, you can select the quarter you would like to view by clicking on the Quarter and Year icon.

Step 1 Click on drop-down menu.
Step 2 Select Year
Step 3 Select Quarter

5. RES-Q Live Dashboards will allow you to view data for any quarter where it has been entered.
6. National Coordinators can follow the same process to view Live Dashboards for their country. To view a national dashboard, choose **Country Dashboard** from the Dropdown menu or **Your Country** from the icon list.

View RES-Q Timeline Dashboards

RES-Q Timeline Dashboards allow national and site coordinators to compare Key Performance Metrics including Time to Treatment Performance.

1. To view Site Time Dashboards, select either **Hospital Timeline Dashboard** from the dropdown menu or **Hospital Timeline** from the icons.
2. You will be taken to the hospital quarterly comparison dashboard, where you will be able to select the quarters you wish to compare.

3. To select the periods you wish to review simply choose the year and quarter for each of the two periods.

Step 1 Click on the drop-down menu for the First period and choose a year.
Step 2 Choose a quarter for the First period.
Step 3 Click on the dropdown menu for the Second period and choose a year.
Step 4 Choose a quarter for the Second period.

4. National Coordinators can follow the same process to view Live Timeline Dashboards for their country. To view a national dashboard, choose Country Timeline Dashboard from the dropdown menu or Country Timeline from the icon list.
Download RES-Q Reports

The process for downloading RES-Q Reports is the same for both site and national coordinators. National coordinators will have access to reports for their site and country and site coordinators only for their site.

RES-Q Reports are available to be downloaded in Excel and PowerPoint. It is also possible to download both at the same time as a zipped file. RES-Q Reports are available as Quarterly, Bi-annual, and Annual reports.

1. To download RES-Q Reports click on either Download Reports at the top of the homepage or on the Download Reports icon.

2. You will be taken to the RES-Q Reports page where you will able to download any reports that you have access to.

Scroll down the page to find Bi-annual and annual reports.
View progress towards an ESO Angels Award on the ESO Angels Awards Dashboard

1. To find the ESO Angels Awards Dashboard for your site choose ESO Angels Awards Dashboards from the dropdown menu or click on the ESO Angels Awards icon.

2. You will be taken to the ESO Angels Awards Dashboard where you will be able to view progress towards an ESO Angels Award. Site coordinators will also be able to view their performance against ESO Angels Award metrics for any quarter by choosing the year and quarter they would like to view from the dropdown menu.
